

Holy Family Primary & ELC

Pupil Equity Funding 2025/2026

Pupil Equity Funding (PEF) is allocated to schools to target the poverty related attainment gap. Holy Family PEF for 25/26 is £23,760.

Each year we work with parents and families to identify where this funding will be allocated so it has the biggest impact on children.

This session £23,075 will pay for additional teaching time to target learners who are experiencing barriers to learning.

THE COST OF THE SCHOOL DAY

You can find out more about tackling the effects of child poverty through the Child Poverty Action Group website.

[CPAG | We are the trusted voice on child poverty](#)

Every year, 3% of our Pupil Equity Funding is classed as Participatory Budget. Our senior pupils in P6 and P7 identify what the children need. The senior pupils use school suppliers to source resources and work through the ordering and budgeting process.
